PASTORS' CONFERENCE TODAY

Keep on Fighting!

Tuesday's preaching was powerful, convicting, and a challenge to every hearer.

Santa Clara, CA
Thomas Kiser

Pastor Terry Anlea brought the first message of the day, "Navigating the Zone of Silence" from Job 23. This was a needed message for this hour.

The second preacher of the morning was Mike Ray. His encouragement to "Be a Bow Man!" reminded all of us to stay faithful and active for God, no matter what results we may see here on earth.

During the evening service, Missionary Rick Martin preached on "Grace at the Gate" and Mike Johnson closed the night out with an admonition to stay in the fight and win some battles for Christ! Every message was uniquely used of God.

A Packed House: The auditorium was filled for the Tuesday evening service.

The Final Day

We anticipate great things as this year's conference comes to a close.

Santa Clara, CA
Christopher Fanara

The preaching at this year's conference has been second-to-none. We have laughed. We have cried. We have been challenged, convicted, and changed.

We expect God to continue to work in our midst in a mighty way through the preaching of His Word today.

We will hear from veteran servants of God, Dr. Raymond Hancock, Dr. Bobby Roberson, Missionary Rick Martin, and Pastor Doug Fisher.

The focus of this year's conference has been preaching, singing, and fellowship. We believe that every delegate will agree that God has used these three ingredients to impact our lives in a significant and lasting manner
