PASTORS' CONFERENCE TODAY

The Fire Fell on Monday Night

Powerful Bible preaching stirred the hearts of the congregation.

Santa Clara, CA
Otto Thompson

The conference kicked off with the packed auditorium singing *Blessed Assurance* as a mighty choir.

The special music throughout the night was anointed, the choir singing was Spirit-filled, the special recognition of California pastors was moving, and the preaching was life-changing.

Pastor Mike Johnson preached a message from I Kings 18 from the story of Elijah on Mount Carmel. He reminded every delegate of the importance of God's fire falling in our personal lives and ministries. This convicting message was timely and needed. It was a tremendous start to this historic conference.

California Baptist Pastors' Night: Every pastor was honored on Monday night.

Happy 25th Anniversary!

A quarter of a century of preaching, singing, fellowship, and training

God raised up the National Pastors' & Workers' Conference in Santa Clara twenty-five years ago. Since that time, we have been honored to have a small influence and impact in the lives of tens of thousands of God's choicest servants.

This year, we are praying for a fresh outpouring of God's Spirit in our midst. It is our desire for every pastor, staff member, and church member to be encouraged, equipped, challenged, changed, strengthened, and revived.

We give God the glory for all he has done in the past and what he will do during this week.

Come to Christ!
