PASTORS' CONFERENCE TODAY

## Words of Wisdom

Tuesday's preaching was powerful, convicting, and full of godly wisdom.

Santa Clara, CA  
Mike Stheman

Pastor Mike Ray started the day off with his message about "Casting a Shadow," using humor and heart to remind each of us of the tremendous power of influence.

Dr. Gibbs followed with a message on the four characteristics of "A Man of God." God used him to bring deep conviction to many.

Dr. Bobby Roberson was honored for 60 years of full-time ministry during the evening service. Then, in his unique style, he imparted such godly, down-home wisdom for every delegate. Truly, the Tuesday services will leave an imprint in our lives for years to come.

A Bus Kid at the Piano: Dr. Mike Zachary played the piano during our "Bus Night."

## The Final Day

We anticipate great things as this historic conference comes to a close.

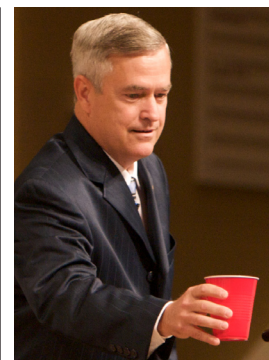

Santa Clara, CA  
Isaac Young

The preaching at this year's conference has been incredible. We have laughed. We have cried. We have been challenged, convicted, and changed.

We expect God to continue to work in our midst in a mighty way through the preaching of His Word today.

We will hear from some of God's choicest servants today.

As we celebrate the 25th anniversary of this conference, the focus has been preaching, singing, reviving, encouragement, training, and fellowship. We believe that every delegate will agree that God has used these ingredients to impact our lives in a significant and lasting manner. May each delegate ask God to work in our midst on this, the final day of our conference..

**Casting a Shadow**  
Pastor Mike Ray challenged each delegate to stay in the fight, seeking to use our lives to make a difference.

Bus Night: Manuel Reyes testifies during the bus ministry presentation.

The Bus Ministry

The bus ministry has been responsible for bringing millions of people to church. But does it still work in the 21st century? Still worth our money? Is it still relevant?
